Registrations

Course registration can be in writing or by e-mail. Payment of course fees is binding and obligatory, unless a replacement person is provided.

The number of participants is limited for all courses. Registrations will be processed in order of receipt. Participants from current courses as well as participants from Bassersdorf have priority. You will receive the course invitation at least one week before the course starts.

If a course can not be held because of a lack of participants, already registered persons will be informed at least four days before the beginning of the course.

Course fee

The courses are to be paid 30 days after billing, otherwise the entitlement to attend the course expires.

Cancellations

An application is binding! In the case of cancellations after the registration deadline or in the case of no-shows in the course, the course fee will only be issued by way of exception if there is an important reason (illness, accident) after submission of a written application.

For individual absences or for the entire absence, the course fee is not (even partially) refunded. Missed lessons can not be made up.

Registration confirmation

The number of lessons attended will be confirmed at the end of the course. If lessons cannot be held due to lack of attendance by the course leader, the lessons will be offered free of charge in the follow up course.

Childcare

Free childcare is available during the German courses. It is held in the former schoolhouse Türmli, 2nd floor from 9:00 – 11:15 am and 1:15 – 3:30 pm.
